

Pizzeria E Calzoni

Our pizza dough is 300gr, 14"inch, you can choose pizza or calzone style.

This is fantastic, our pizza dough is made with mix of Italian flour Tipo '00' which is finer ground than normal flour, and some semolina flour for a bit of colour and flavour. Sieve the flour(s) and salt on to a clean work surface and make a well in the middle. In a jug, mix the yeast and olive oil into the water and leave for a few minutes, then pour into the well. Using a fork, bring the flour in gradually from the sides and swirl it into the liquid. Keep mixing, drawing larger amounts of flour in, and when it all starts to come together, work the rest of the flour with your clean, flour-dusted hands. Knead until you have a smooth, springy dough. Place the ball of dough in a large flour-dusted bowl and flour the top of it. Cover the bowl with a damp cloth and place in a warm room for about an hour until the dough has doubled in size
